

Anders Karlsson CV

SUMMARY

Product management leader with 15 years of experience in building and launching digital and hardware products across various industries and technologies. Has a strong track record of taking products from idea to successful market launch with a focus on scalability, user experience, and global impact. Adept at writing product strategy, building and leading high-performing cross-functional teams, and mentoring product managers to achieve their best. Passionate in areas where value creation aligns with positive outcomes for the world.

WORK EXPERIENCE

Group Product Manager - Electrolux | 2022-Present

- Leading and mentoring six Product Managers for the digital aspect of the Care product vertical (washing machines, tumble dryers, dishwashers, etc).
- Introduced product management best practices, continuous discovery, and AI-thinking to the product teams. Also shifting mindsets from feature delivery to mission-driven and outcome focused execution.
- Defined a multi-year digital product strategy for the Care vertical—covering app UX, backend services, and physical appliance interfaces— in collaboration with business stakeholders to ensure alignment with global brand objectives
- Led the product work in launching a global, multi-brand app and platform for the Care product vertical, replacing a vast number of regional apps. A high visibility initiative involving C-level and VP-level stakeholders across many organizational functions. The outcome of the initiative was significant improvements in user experience, product quality, and scalability.

Senior Product Manager - Kry | 2021-2022

- Led the growth team for the Swedish market. Collaborated with engineering, UX, and sales teams to design and launch digital health products, focusing on high visibility initiatives like vaccination offers, driving user engagement and product adoption.

Product Manager - Spotify | 2017- 2021

- Product manager for the wearables vertical, (smart watches, hearables, AR/VR, etc), and for the Spotify in-car experience. Defined and executed product strategy for multiple products.
- Led several high profile product launches globally, such as Spotify for Apple Watch, Spotify for WearOS, Spotify for Garmin, Spotify for Fitbit, Spotify OneTouch with

Samsung, Microsoft & Bose, the first Spotify AR experience with Magic Leap, and more.

- Scaled up the wearables vertical from >100k users to **10M+** users globally

Product Manager - Fyndiq | 2016-2017

- Responsible for product information quality, database performance, internal tools and merchant facing UX.
- Pioneered machine learning solutions for product categorization, enhancing discoverability and increasing product sales by 80%.

Product Owner - Truecaller | 2015-2016

- Product Owner for the Truecaller iOS app, managing a user base of 5M+ MAUs and introducing monetization strategies via ads."

Various roles at Svenska Spel | 2007-2015

- Held various roles in product development, innovation, and business strategy for the Triss, Lotto, Euro Jackpot, and Keno brands, Responsibilities included regulatory compliance, mathematical modeling, product roadmaps and business case creation. Also led the company wide early stage innovation processes.

QA-Engineer - Ogame | 2006

- Worked with the development and testing of mobile gaming applications

EDUCATION

- **The Graduate Engineer Program** (Civilingenjörsprogrammet I & II), IFL at Stockholm School of Economics 2014
- **School of Entrepreneurship**, Uppsala University 2005
- **Master of Science** - Information Technology Engineering, Uppsala University 2001-2005
